

OFFENDER WATCH

*The leading registered sex offender community notification tool.
Provided by the Washington Association of Sheriffs and Police Chiefs*

SEARCH

Use the [OffenderWatch®](#) search feature to view and gain information on Level II and Level III registered sex offenders and kidnapping offenders within a specified radius of your home, business, school, or other desired address. You can also search for information on a particular offender by name.

REGISTER

Sign up for Email Alerts. [OffenderWatch®](#) continuously monitors sex offender registration and will send an email alert if a registered Level II or III sex offender moves into your neighborhood. You may confidentially register as many addresses as you wish. You may also register to receive notification of any change in address for a particular offender.

To better ensure you receive the latest information, please add the following email address to your personal address book: notifications@icrimewatch.net.

UPDATES

[OffenderWatch®](#) is updated continuously as offender addresses and other offender information is added or updated.

When you enter an address or registered sex offender or kidnapping offender's name, the program will search the entire state. You can enter the information request on any county site.

[OffenderWatch®](#) provides the most accurate and timely information available for community awareness and safety. There is NO COST for this service and no limit to the number of addresses you may register or searches you can perform. Your email address, physical addresses and information are confidential and will not be shared.
