## WELCOME!

**Thank you for attending the 2019 Washington State 24/7 Sobriety Summit**—This year's Summit is presented by the Washington Association of Sheriffs and Police Chiefs (WASPC), in partnership with the National 24/7 Advisory Council and sponsored by the Washington Traffic Safety Commission (WTSC).

We have a full agenda including several guest speakers. Our speakers represent 24/7 Sobriety Programs from other states as well as the Washington State 24/7 Sobriety Program Agencies. Our Summit attendees represent law enforcement, judges, prosecutors, the defense bar, treatment professionals and state legislators. We also have a number of attendees from out of state hoping to learn more about our program.

**Thank you to our Networking Reception Sponsors**—The Washington State 24/7 Sobriety Program Summit is sponsored by 24/7 Sobriety Systems, Smart Start, SCRAM Systems, and WASPC Correctional Options Services in partnership with BI Incorporated and Attenti. We greatly appreciate their support.

**About the 24/7 Sobriety Program**—The 24/7 Sobriety Program is a twenty-four hour, seven day a week monitoring program in which a participant submits to testing in order to determine the presence of alcohol, marijuana, or any controlled substance in their body. The goal of the 24/7 Sobriety Program is to combat the role that alcohol and drug abuse play in crime and criminal recidivism, particularly for impaired driving, and to reduce the number of DUIs and related costs by motivating offenders to change their behaviors. You can always find additional information, including our video on the 24/7 Sobriety Program, at <http://www.waspc.org/24-7-sobriety-program>.

**24/7 Statutes**—The 24/7 Sobriety Program Statutes can be found at [www.leg.wa.gov](http://www.leg.wa.gov). Current program statutes are RCW 36.28A.300-390.

**Contact Information**—Jamie Weimer is the Washington State 24/7 Sobriety Program Manager.
