NOTICE OF CONSENT
Issued Pursuant to RCW Chapter 10.93
Washington Mutual Aid Peace Officers Powers Act

The Washington Mutual Aid Peace Officers Powers Act was enacted in 1985. RCW 10.93.070 empowers general authority law enforcement officers with appropriate training certificates (or exception there from) to enforce criminal or traffic laws any place in the state "upon the prior written consent of the sheriff or chief of police in whose primary territorial jurisdiction the exercise of the powers occurs."

In accordance with RCW 10.93.070 (1), I hereby consent to the full exercise of peace powers, within the City of Bellevue, Washington, by any and all properly certified or exempted police officers of the agencies designated in this agency's current "List of Agencies Authorized to Exercise Peace Officer Powers." The current list of Authorized Agencies may be modified from time to time to add or delete agencies. This agency shall maintain a current list of Authorized Agencies on file with this Notice of Consent. Any liability or claim of liability that arises out of the exercise or alleged exercise of authority by any officer of the authorized agency under Chapter 89 Laws of 1985 and RCW Chapter 10.93 and pursuant to this Notice of Consent is the responsibility of that agency unless the liability is otherwise allocated under a written agreement between the authorized agency and another agency.

This consent is valid during my tenure as Chief of the Bellevue Police Department and thereafter until revoked. This consent is not intended to reallocate, under RCW 10.93.040, the responsibilities of the listed agencies for the acts or omissions of its officers. The authorized agencies are subject to any reasonable reporting requirements now in effect (RCW 10.93.030) or hereafter imposed by this agency.

Wendell Shirley
Chief of Police
