

NIBRS Tip of the Month

Do all the FBI changes in the 2020 version of their NIBRS User Manual affect our RMS?

- ▶ **Addition of federal and tribal offenses or the federal judicial codes:**

✓ **No need to add if you are not a federal or tribal agency.**

- ▶ **Removal of Group B offenses of Bad Checks (90A), Drunkenness (90E), and Peeping Tom (90H):**

✓ **No need to remove these offenses; the State UCR Program accepts them and the FBI converts them to All Other Offenses (90Z).**

- ▶ **Removal of Location Type of School/College (22):**

✓ **You should be using more the specific codes of School - College/University (52) or School - Elementary or Secondary (53).**
