

NIBRS Tip of the Month

Reportable Offenses

How do we determine if an incident is NIBRS reportable?

- ✓ To be NIBRS reportable, it must be a **criminal** offense rather than a **civil** infraction.
- ✓ If the offense is criminal, locate the associated NIBRS offense code for a Group A incident or a Group B Arrest-Only offense.
- ✓ Report offenses from calls for service, complaints, or investigations in your jurisdiction.*
- ✓ The State UCR Program can help in mapping your local ordinances.

*Offenses should be reported regardless of whether or not the victim wants the charges to proceed.
