## National Incident-Based Reporting System (NIBRS)

Free webinar presented by the WASPC CJIS  
Department in partnership with LEIRA

**April 28, 2026**

**10:00am - 4:00pm**

This training course will provide a general overview of NIBRS and will include discussion on data elements, offense classifications, and validation errors and warnings.

NIBRS is the incident-based reporting system used by law enforcement to collect and report data on crimes. Used nationally, NIBRS provides critical data for training, planning, and understanding trends.
