

# WESTERN REGIONAL COUNTERDRUG TRAINING CENTER

## Basic Narcotic Investigation

**Designed for:** Law enforcement officers and military personnel directly involved in counternarcotic missions; with an emphasis on civilian law enforcement to include local, state, and federal officers

This course provides students with an overview of the narcotics investigation process. Topics will include most current constitutional drug law, commonly abused drugs, confidential information and sources, investigative strategies, undercover operations, marijuana grow operations, clandestine methamphetamine labs, evidence collection and admissibility, searches, children living in dangerous drug environments, and liability issues. This course is for officers with limited or no experience for narcotics investigation.

Course Length: 4 Days / 40 hour

Cost: FREE to Class Participants
