To All:

After a question from Sheriff Manke, we have noted that there is an important enforcement element missing from the grid regarding I-1639. Basically the new law would **also prohibit anyone 18 or over and under 21 from possessing a pistol or newly-defined semi-automatic assault rifle unless they are on their own property, fixed place of business, real property under their control, or "place of abode"**.

Here is an [updated](#) version of the grid.
