WASPC was founded in 1963 and consists of executive and top management personnel from law enforcement agencies statewide. With more than 900 members it includes the 39 elected county sheriffs, and 240 police chiefs, as well as the Washington State Patrol, the Washington Department of Corrections, and representatives of several federal agencies. WASPC is the only association of its kind in the nation combining representatives from local, state, tribal, and federal law enforcement into a single body, working toward a common goal. WASPC's function is to provide specific materials and services to all law enforcement agencies in the state, members, and non-members alike.
