

WASPC 2016 SPRING EXPOSITION & TRAINING CONFERENCE

**WASHINGTON ASSOCIATION OF
SHERIFFS AND POLICE CHIEFS**

THREE RIVERS CONVENTION CENTER

**KENNEWICK, WA
MAY 23-26, 2016**

PRESIDENT'S MESSAGE

Welcome to the Washington Association of Sheriffs and Police Chiefs 2016 Spring Exposition and Training Conference at the Three Rivers Convention Center.

As I wrap up my year as President, it is my hope that you will find the conference to be an invigorating professional experience and a means to make valuable personal connections with fellow law enforcement executives.

I urge you to continue your commitment to community safety by getting, or remaining, involved in a WASPC committee. Additionally, I challenge you to use WASPC as a means in which to mentor and develop your command staff, by encouraging their participation as associate members. WASPC committees are the workforce of the Association and represent a wealth of combined knowledge from Chiefs, Sheriffs, Jail Managers, and other law enforcement professionals. Many WASPC committees meet here at the conference. And this year, for the first time, we are offering separate training sessions for Jail/Corrections Managers on topics that are foremost on their minds.

If you have spent time on committees and wish to get further involved, then please consider serving on the Executive Board. There are several Executive Board positions open for election during this conference: one Sheriff at-large, one Chief at-large, and the Vice President position (Chief). If you are interested in running for any of these positions or would like to nominate someone, please contact any member of the Nominating Committee. Members of the WASPC Nominating Committee are: Chief Chuck Spoor, Chair; Chief Greg Wilson; Sheriff Tom Jones, and Sheriff Mark Brown.

Agenda highlights for the 2016 Spring Exposition and Training Conference include: a packed committee meeting schedule; a sold-out vendor exposition demonstrating state of the art products and services available to law enforcement; training sessions for law enforcement executives including sessions on the new face of terrorism, and how to turn adversaries into allies as we continue our focus on public trust; a legislative update; and numerous opportunities for peer networking.

Don't forget: WASPC has a conference app. The app can be downloaded for iPhone, Windows and Android operating systems. Simply visit your app store for the free download.

Again, it is my hope that you will find the 2016 Spring Exposition and Training Conference to be a valuable and enjoyable experience. WASPC's mission is to lead collaboration among law enforcement executives to enhance public safety. It is my belief that we will continue that mission at this conference.

Sincerely,
Sheriff Casey Salisbury, WASPC President
Mason County Sheriff's Office
