Chapter 89, Washington Laws of 1985, Regular Session, became effective on July 1, 1985. Under Subsection 1 of Section 7 of that Act, general authority law enforcement officers with appropriate training certificates (or exemption therefrom) may enforce criminal or traffic laws anyplace in the state "upon the prior written consent of the Sheriff or Chief of Police in whose primary territorial jurisdiction the exercise of power occurs."

In accordance with Chapter 89, Section 7(1) and RCW 10.93, I hereby consent to the full exercise of peace officer powers within the County of Grant, Washington, by any and all properly certified or exempted officers of the agencies designated in this agency's current "List of Agencies Authorized to Exercise Police Officer Powers." A copy of the current list of authorized agencies is attached hereto. The list of authorized agencies may be modified from time to time to add or delete agencies. This agency shall maintain a current list of authorized agencies on file with this Notice of Consent. Any liability or claim of liability which arises out of the exercise or alleged exercise of authority by an officer of the authorized agency under Chapter 89 and RCW 10.93 and pursuant to this Notice of Consent is the responsibility of that agency unless the liability is otherwise allocated under a written agreement between the authorized agency and another agency.

This consent is valid during my tenure as the Sheriff of the County of Grant. This consent is not intended to reallocate, under Section 4 of Chapter 89 and RCW 10.93, the responsibilities of the listed agencies for the acts or omissions of their officers. Authorized agencies are subject to any reasonable reporting requirements now in effect (RCW 10.93.030) or hereafter imposed by this agency.
